How Does the Club Raise Money for Charity?

The Club has three fundraising activities each year that offer an opportunity for members to become involved and to have fun! The Kiwanis Club of Duluth is able to donate funds to local charitable organizations because of the generous support from its sponsors.

Golf Tournament

–The annual golf tournament is the Club’s major fundraiser. It’s also a great opportunity for members to have fun and enjoy spending a day with friends and colleagues.

Pancake Breakfast — Funds raised by the pancake breakfast go directly to support the Duluth C.O.P.S. program, a community outreach service. Club members and students from the Duluth High School Key

Club take turns cooking and serving pancakes.

Merchandising Events — The City of Duluth’s Festival Center hosts many different community events like movies and concerts on the Town Green. At each of the city-sponsored events, the Kiwanis Club of Duluth has a booth that sells pizza and drinks. The events are free to the public. All of the proceeds from the Club’s food sales go directly to support charities in Duluth.
